

Date: 25 June 2026

Reference: IO/MS/26/GRD/Radiographic Test
Subject: **Market Survey for Radiographic Test activities at the ITER Site**

Dear Madam/Sir,

The ITER Organization (IO) launches a Market Survey and requests information from companies having the interest, knowledge and capacity related to: **Radiographic Test activities at the ITER Site.**

Please note that this is not a Call for Nomination.

You will find enclosed to this Market Survey (**Annex I**) the Technical Summary for Radiographic Test activities at ITER Site (ITER_D_FS4TR8 v1.0).

The main purpose of this Market Survey is to identify and shortlist candidate suppliers having the potential capabilities to respond to the IO solicitation. The suppliers selected through this process will be invited to the ITER Site for dedicated meetings covering various technical and contractual topics. The current procurement strategy is to award two framework service contracts to two separate companies through a Restricted Tender process.

With this letter, we invite all potential companies, institutions or entities from ITER Member States to participate to this Market Survey through the questionnaire (**Annex II**).

We kindly invite the Domestic Agencies to publish this Market Survey on their websites or through other advertising methods, which will help to retrieve the requested information from a maximum of potential candidates.

Please return a completed questionnaire, **no later than 17 July 2026**, to the following email address guillaume.retaillaud@iter.org.

Yours sincerely,

Brian K. Woody
Section Leader
Procurement for Plant & Machine Assembly
